Eckerö Link's New Vessel Now Registered in Åland – M/S Sailor Replaces M/S Fjärdvägen

The purchase agreement for M/S Sailor, announced by the Eckerö Group on October 7, has now been finalized.

Today, October 31, the vessel transaction between AS Tallink Grupp's subsidiary and Rederiaktiebolaget Eckerö was completed. As a result, ownership and control of M/S Sailor have been transferred to Rederiaktiebolaget Eckerö. The vessel is currently docked in Tallinn.

M/S Sailor will replace M/S Fjärdvägen in Eckerö Link's operations.
