

PRESS RELEASE

March 12th, 2026

Revised outlook

The Board of Directors of Rederiaktiebolaget Eckerö today signed the financial statements for 2025.

The first paragraph under the section “*Outlook*” in the report of the Board of Directors reads: “The geopolitically unstable situation continues to create uncertainty, which, combined with expected lower capital gains, is estimated to result in a lower result in 2026.”

The corresponding paragraph in the Year-end Report release, which was published on 26 February 2026, stated: “The company is expected to deliver a continued stable result in 2026. The geopolitically unstable situation continues to create uncertainty.”
